December 2019

## Tip Of The Month:

If you have a patient who doesn't want to choose a pharmacy for some reason, you can choose "no pharmacy selected" in SRS to fulfill the meaningful use requirements (rather than leaving it blank).

for having the most participants at the event AND for raising  
the most donations from its participants. **Congratulations**

Great job to the Webster office for collecting many bags and boxes of food for Houston's Kids' Meals Thanksgiving Initiative.

Thanks to Christy Miller for leading this project.  
Congratulations!

Reminder...

You and your family are cordially invited to join us on Sunday as Coastal Eye Associates hosts the annual
