

Keeping Up With Coastal Eye Associates...

EYES ON COASTAL

July 2019

Tip Of The Month:

While several doctors are away on vacation during the summer, use the extra downtime as an opportunity to do a little deep cleaning around the office. Dispose of expired bottles of drops, outdated coupons, unnecessary pamphlets, and other clutter. Reorganize the countertops and cabinets that may have become messy through the years. Tidy up your workspace, and help keep Coastal looking its best!

Happy independence day!

Be safe as you enjoy
your 4th of July holiday!

Reminder!

Our updated insurance policies go into effect starting July 1st! New insurance cards can be printed by logging into Aetna.com.

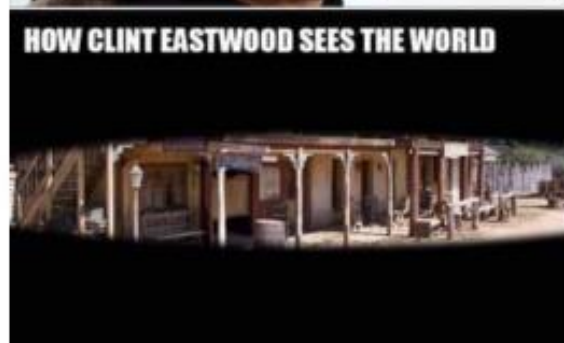

MAYBE CLINT EASTWOOD NEEDS TO COME IN
FOR A BLEPH EVAL?...
